Easter Day

WHAT joy there is on Easter Day, for That which

wy it commemorates and significs. And with the sweet breath of a new springtime season, what gladness the day's coming brings. We all have good cause, indeed, to be happy and to wish all others a happy, happy Easter: for joy reigns supreme because 'tis Easter and the World is Renewed. Naught but cheer

is in the very air, and belongs in the hearts of each and

every one of us. But let us not fail to pay proper trib-ute to Him and His Resurrection in the fullest sense and manner befitting the Day's great Event; for only then will it be truly a Happy Easter, as it should be.

# Why it's wise to choose a CHEVROLET SIX:

#### Choose CHEVROLET for Smoothness . . .

The only way to get satisfactory smoothness in a low-priced car is to choose a car with a six-cylinder motor. Six cylinders save the whole car from the destructive effects of vibration. And they make motoring far more comfortable. In the new Chevrolet Six, you get every advan-tage of aux-cylinder smoothness.

#### **Choose CHEVROLET** for Beauty .....

Chevrolet brings you the greater beauty of bodies by Fisher-styled by Fisher's famous artist-designers. Long, low and properly propor-tioned—and complete with every feature of modern automotive coachwork-Chevrolet-Fisher bodies introduce a new measure of quality and beauty into the low-price field.

#### Choose CHEVROLET for Economy . . .

The new Chevrolet is just as eco-nomical as any car you can buy. It costs no more for oil. It costs no more for tires. It costs no more for service. And, in a recent officiallyobserved economy test, a Chevrolet won first place - sveraging over 20 miles to the gallon of gasoline.

LaRue, Ohio.

#### Choose CHEVROLET for Service . . . . .

Chevrolet's owner service policy calls for free replacement—including both parts and labor—of any material that may prove defective within the terms of the standard warranty. Chevrolet's flat-rate charges are the lowest in the industry on many service operations—and, furthermore, Chevrolet service is available at more than 10,000 authorized service

#### *Choose* CHEVROLET for Re-Sale Value . .

From the standpoint of re-sale value, it's especially wise to choose a Chevrolet. The big swing is to the Six. And when you buy a six-cylin-der Chevrolet you are assured a cae that will be modern tomorrow as welf as today. This is important to remember, for obsolete design always lowers re-sale value.

## Choose CHEVROLET

Priced as low as \$495 at the factory. the Chevrolet Six is one of the love est-priced cars in the world. this low first cost is emphasized over and over again-in gasoline and oil economy, in mexpensive service, and in the low cost of replacement parts.
